### **Tasting Notes**

Symphony, our Private Reserve Cabernet Sauvignon, is a blend of our most prized vineyards from three distinct growing regions, Coombsville, Oak Knoll, and Yountville. Flavors of fresh currants and other seed berries blend subtly with complex mineral notes and firm tannic structure. The finish lingers with flavors of dark chocolate and purple plum. Serve for a holiday feast, a family BBQ, or with your favorite strong cheeses.

### **Winemaking**

The grapes were cold soaked for three days to bring the must to a temperature of 55 degrees and insure a clean fermentation. To achieve a vibrant, deep color, the grapes were inoculated with yeast strain D254 and fermented at 86 degrees. Pump-overs were performed twice per day and when fermentation was complete the wine was gently pressed off the skins.
